Sand

Shifting, shining gleams snow white,
Glittering sweep of blinding light,
Drifted there by nature's hand,
A wondrous garden of God's land.
The lake a sheet of silver lay,
Ribbons of ripples and net of spray,
Shimmering in the waning light,
A shadowy mirror of the stars of night.

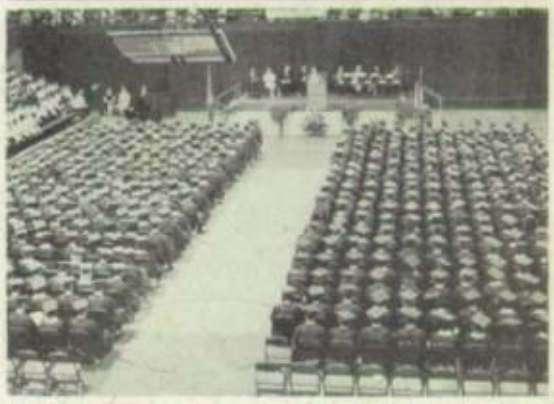
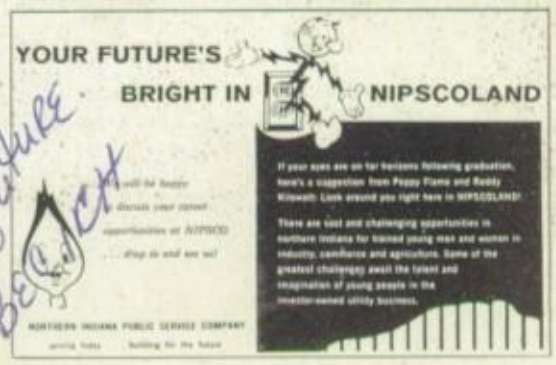
"ALIVE IN 1965"
(1956 - 1965)

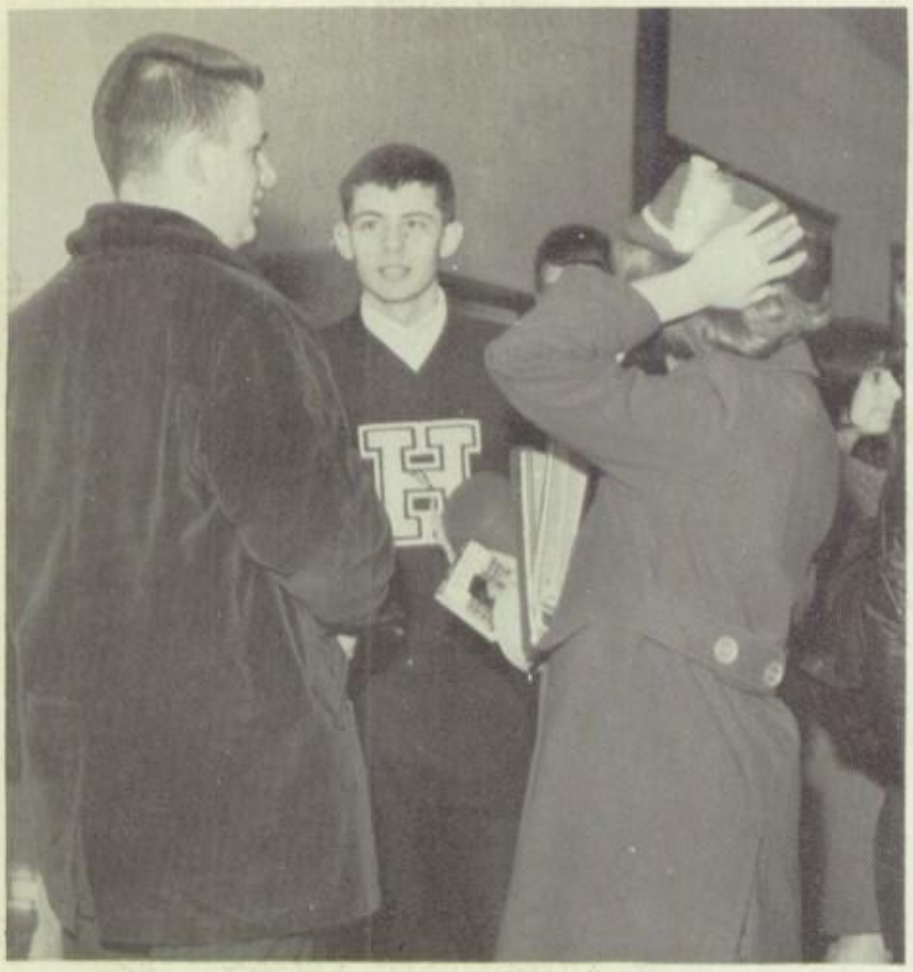
This is the ninth Dunes yearbook published by Journalism 3 students of the Hammond High School Publications Department under the direction of its sponsor, Mr. A. T. Bolt, assisted by Mr. R. H. Dunham of the Business Education Department.

Photography furnished by Bodie Studio and Mr. Ed Dobosz and son Tom.

Printer of the Dunes DeLaney Printing Company.







Students and teachers gather in the halls to discuss the upcoming regional games.

Hammond High's Herald seems to be the main highlight, as the students gather to discuss its contents.

Activity is created each day in the bookstore; selling of school supplies and game tickets are two major functions.

Action starts around 8:10 daily at Hammond High, especially around the old grandfather clock in the main hall or by the ever changing, but always interesting showcase. Although now silent, Grand Pap doesn't miss a trick as students nudge him while being jostled by those attempting to get to their lockers for that forgotten Lit book. It's a tradition to meet one's friends in the Main Hall.

The clock in the main hall is a favorite meeting spot as Hammond High students gather around it to chat about the day's events.

It's not hard to live up to the theme of the '65 Dunes for there's plenty of life in the classrooms, homerooms, the bookstore and the halls. One can regularly hear the slamming of locker doors and a ringing hello as an absentee is definitely welcomed back to the Purple headquarters. In the midst of it all is Dr. Kenneth Feuerbach, genial principal of these more than 1,800 teen-agers, who each morning, slowly find their separate ways to homeroom for a quick breath and a tip from the Bulletin on "what's happenin' today."

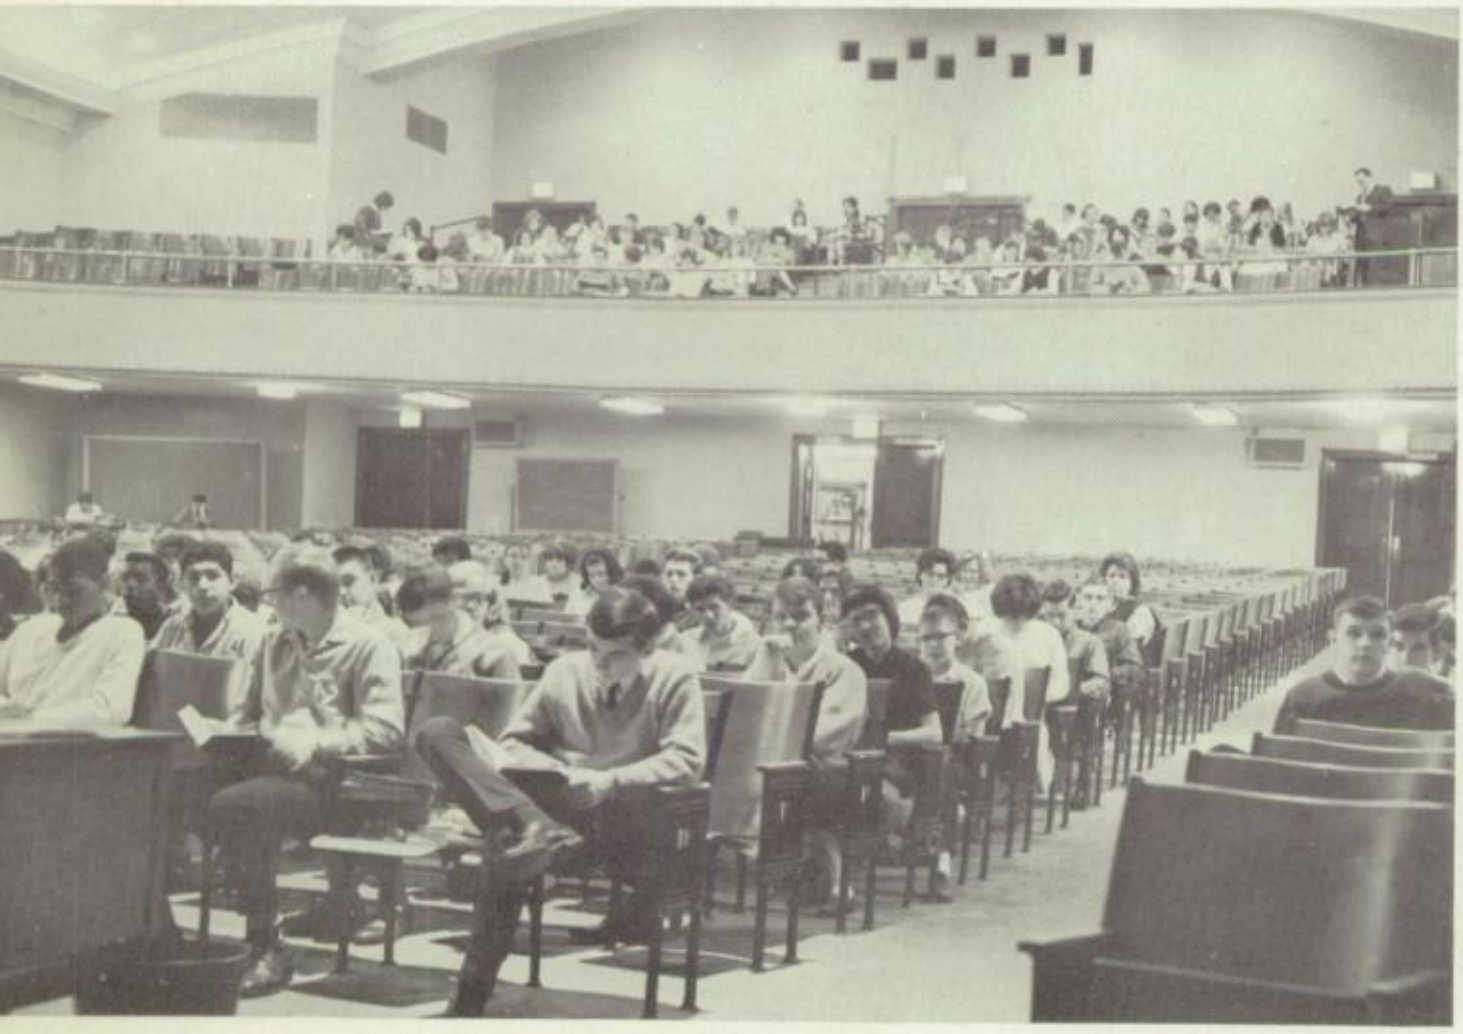
The Bookstore is a popular haven for that pad of paper, eraser or pencil.

"Alive in 1965"

Early morning instructions from Mrs. Geneva Boyd and Mrs. Marion Dobrzynski on last minute menu plans.

Come Alive in '65 is definitely the theme best describing life at the Wildcat Lair for the year 1964-1965. With the sounding of the 8:25 bell there's a sudden rushing to the auditorium, upstairs and down, to the cafeteria and the various other rooms which house the advisories, a compact counseling period and hurried presentation of announcements made available to students who by this time are already thinking about that first hour assignment. There are always a few stragglers filing in and out of the office, too. Some are there to pay locker fines and some to pick up lunches dropped off by thoughtful parents. And now, off to class!



Double duty is made of the auditorium as it is used upstairs and down as homerooms and study halls.

The Bonfire blazed on as the crowd grew bigger with excitement constantly mounting.

NOELL
YOUR A PRETTY
SWEET & NICE KIND OF
KID, SO STAY THAT WAY
LOVE YA Jed

Bonfire

Homecoming Weekend was the first big event of the year and it climaxed the excitement which had been mounting within everyone from the first day of school. Hundreds of students turned out for the bonfire celebration to affirm their school spirit and find out if their princess candidate made it, and if their queen candidate reached the finals.

Cheerleaders left to right: Judy Blockland, Jane Boyajan, Jane Vironf, Linda Brown, Linda DeLaney, Linda Tomlin.

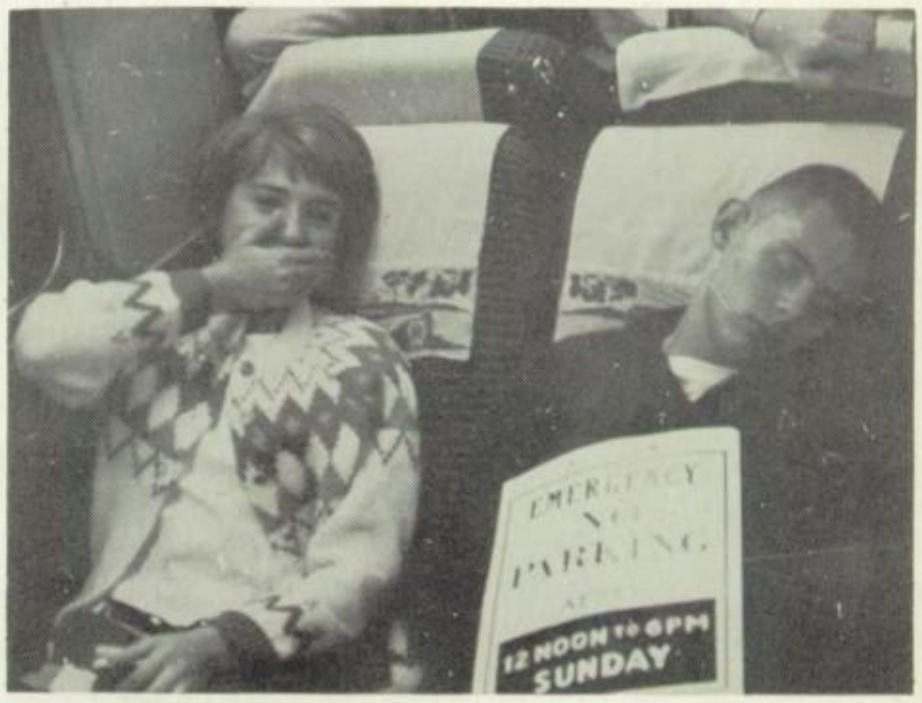
Left to right are Mary Jo Shock, freshman princess, Linda Sherry, junior princess, Connie Wydra, queen finalist, Jeanie Talliferro, queen, Jan MacDonald, queen finalist, and Debbie Dorsey sophomore princess.

After weeks of building class and club floats, the Homecoming parade proved a mighty success and the senior class walked off with the prize. A fantastic crowd of loyal and anxious fans filled the stands and the game started. In spite of the unexpected rainstorm, that Hammond High spirit could not be dampened and cheers filled the air as Jeanie Talliferro was crowned Homecoming Queen of 1964 at the halftime. Although the game was lost, that Purple enthusiasm carried over to the soc-hop which followed and the weekend was considered a victory in defeat.

Jeanie Talliferro as she was just crowned Homecoming Queen for 1964 by association president Jeff Davidson.

Juniors and seniors from our city High Schools left for Washington and New York on Tuesday, October 20. Upon arriving in Washington D.C., they checked in at the Hotel Harrington, where they started their moonlit sightseeing tour. Lincoln Memorial, and the Lincoln Museum were among the places visited that night. The next two days were spent touring. Included were Arlington Cemetery, the United States Bureau of Printing and Engraving, the Washington Monument, the White House, Jefferson Memorial, Smithsonian Institute, the Wax Museum, and the Capitol Building where some students witnessed Hoover's funeral. Friday morning was open for students to do as they pleased.

On the train to New York, these Hammond High rejects can't find an appropriate place for this interesting sign.



That's more like it.

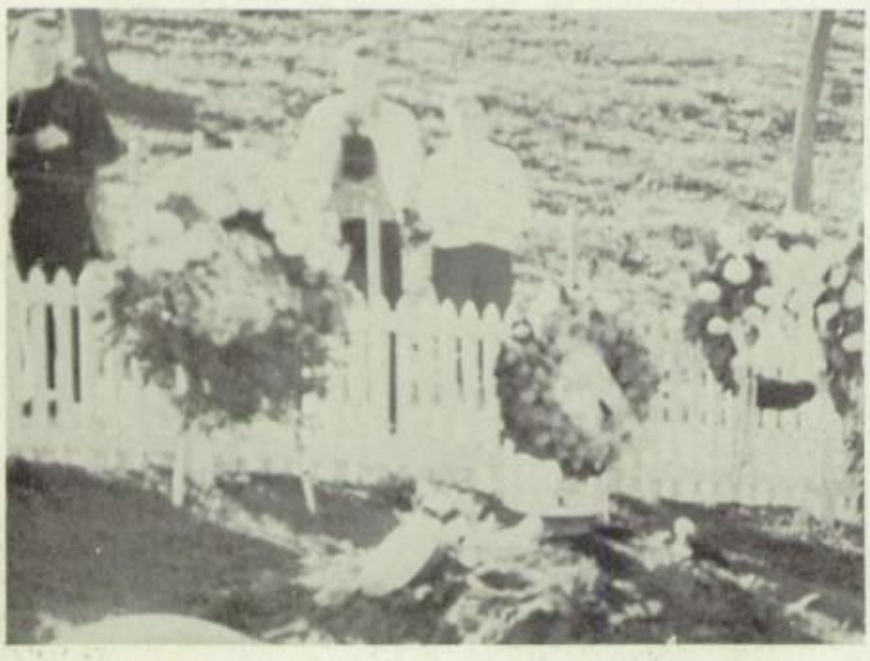
Friday night the students arrived in New York City. After checking in at the New Yorker Hotel they were given free time until curfew. Saturday morning was occupied by a six hour tour of the city; included were the United Nations Building, Statue of Liberty, The Bowery, Chinatown, and the Empire State Building. Saturday night the students enjoyed an evening at Radio City Music Hall where they viewed the Rockettes, and "Mary Poppins." The remainder of the evening they were on their own.

Sunday morning a three hour boat cruise of Manhattan Island was taken. The rest of the afternoon was free. The following day our kids returned and were greeted by both family and friends.

On To D.C. and N.Y.C.

Students on this year's trip witnessed the state funeral procession of the late General Douglas MacArthur.

Here are some of our kids paying their tribute to the late President John F. Kennedy at his grave in Arlington Cemetery.



Hammond High boys in Washington missed their daily sonic boom so decided to create their own with this cannon.

Auditorium Stand-Outs

Dr. Feuerbach at Association Auditorium, swore in 1964-1965 officers.

Things started roaring for '65 with the oath of office administered to the Association President Jeff Davidson by Dr. Kenneth Feuerbach, principal.

Echoes of the presidential campaign of the nation where seen and heard on the Hammond High stage as the government classes did their part in an auditorium program prior to election.

Government class put on an auditorium program about the national elections.

The Vocal Department put on its annual Christmas program with Seasonal Greetings Cards as the theme.

The Holiday Season would not be complete without the Vocal Department Vespers and the excerpts for the school audience before the one-week Christmas vacation. Stage settings gave the audience live Yuletide cars. Thanks again go to Mrs. Nancy Jacobs and Miss Esther Waterbury.

Band members had a chance to show off their special talents during the band's auditorium presentation.

The "sister-uglies" battled with "representatives" of the other Region schools for the Regional basketball trophy at a special pep-rally auditorium session.

Members of the cast of "Cabbages" presented by the Dramatics Club applauded their club sponsor, Miss E. Andersen, at the end of the play.

Talent Show Rehearsals Come First . . .

Trying out with a song and dance number from "Mary Poppins" is Pat Remich.

Rehearsals for the National Honor Society talent show are held after school, as the students show their ability to perform. The acts range from folk singing to modern dance, popular bands, and even a few teachers participate in the fun.

The Reflections, (left to right) Ted Abel, Kenny Baker, and Larry Allen, accompany two aspiring singers of Hammond High, Mr. William McNabney and Mr. Lawrence Lundgren.

Yvonne Satterblom, Cass Pinkerton, and Jack Bailey, members of the Triumverates, sing "If I had my way" and "Then there will be peace," a song written by Cass.

Bill Blanford, Alan MacIntyre, Terry Levin, and Pat Martin judged the tryouts for the talent show.

Homecoming Queen and Her Court

Queen (Jean Taliaferro) and her court: Senior Princesses Connie Wydra, and Jan McDonald, Junior Princess Linda Sherry, Sophomore Princess Debbie Dorsey, and Freshman Princess Mary Jo Shock.

Gramps (Bruce Lynn) refuses to leave with doctor Lance Spring.

"On Borrowed Time"

"It'll be fixed in a jiffy," says Gramps to Pud.

A boy, (Steve Baxter) is caught stealing apples by Gramps and Pud (Charles Downen).

Association Elections

President: Ralph Hardesty

Vice-President: Ray Coffman

Recorder: Jane Dycus

Students stop on the staircase to discuss the hopefuls running for association officers.

Candidates for Association officers relax as they wait to regive their speeches for the second auditorium session. They are (left to right) Linda Sherry and Jane Dycus, Recorder; Raymond Coffman and Pete Bullard, Vice-President; John Rosevear and Ralph Hardesty, President.

Mr. Carroll prepares to jump for basketball as Mr. Deak (3) watches with Mr. Morretton in student-faculty basketball game.

Ed Melshan plays the part of Alley OOp honoring the four score and one years of D.O.H.H.S.

Teachers show enthusiasm in early moments of the basketball game but the students came from behind to defeat the faculty.

Oriental Splendor Prom

Ken Lawson and Susan Lloyd (at the right) watch as Dave Munster helps Kathy McCain out of the car before they enter the 1965 Prom.

The civic center was transformed into a fantasy of oriental splendor at the 65 Prom. Juniors worked during the months of April and May making murals, flowers, tea houses, gardens, and other decorations. Committees and subcommittees were formed; the junior students could have been found busily working and building in the civic center on the last two days. A feeling of great accomplishment filled their minds as they finally finished their work.

The Grand March ended the 1964 Prom "Moonlight Moments" which was perfect with over 200 couples participating.

Commencement

After four wonderful years of work and play, tears and laughter, and victory and defeat, Hammond High seniors find themselves at Baccalaureate Services and finally at Commencement Exercises. Whether or not they realize it, the crossroad in their lives has now overcome them, and they will likely all go their separate ways. In years to come, no matter where they are or how successful they are, the '65 graduating class will never forget those great four years at Hammond High.

Administration Activities

Mr. Homer Hightower, sophomore counselor, shows Miss Kathy Smith a letter to be typed for him.

Miss Alice Bollin, dressed in the era of "four score and one" carries on in the traditional Hammond High manner. (Lesson and plans, no doubt.)

The assistant principal, Mr. T. F. Freuhling, has a constant busy schedule, ranging from the disciplining of students to the directing of the sales of all athletic tickets. Working in coordination with the bookstore helpers Mr. Freuhling makes sure the bookstore is kept up to par.

Sandi Horton Koontz in a serious mood.

Joan Pawenski looks up from her ribbons of typing.

Jeri Brezinski and Kathy Klapkowski 'confer' with 'Boss' Charlene Kammer.

Cafeteria Sidelights

The high point of a student's day is lunch. After slaving through three or four periods, a student looks forward to his lunch hour and a good meal. The ones to thank for this good meal are the Hammond High Cafeteria ladies. They work hard all morning to prepare a good, well-balanced meal for the student body. A look at the numerous six-foot tall boys in the school confirms the success of the cafeteria ladies.

Cafeteria ladies, Isabel Adoba, Cecilia Fabiyanic, and Margaret Kokinda, begin preparing lunch for hundreds of students.

For the students who do not wish to eat in the cafeteria, Virginia Laird can be found in the lower hall selling milk, pretzels and potato chips.

Lou Ellen Powers and Lily Boyer make the sandwiches to be sold at lunch hour.

Busy isn't it???

Custodians

George Earl, 'head boss' of maintenance crew shows 'butter and egg' man assistant, Parks oil cups.

If you want the floors massaged right, at least show them how, says Parks.

Two rings! That's us! Says John on the double to the office.

John and Norman take over.

Monitors

Hammond High's monitors are on duty at all times. Collecting attendance slips at the beginning of each hour and checking valid admits are only several of the numerous assignments that are required of the monitors.

Monitors Bill Blandford and Ian Sachs make sure that Dorothy Rosenau has a valid admit.

A Show of Talent

After numerous tryouts and many rehearsals as groups and individual numbers, the great night came and the entertainers with George Cohan McNabney, producer, played to a packed house. The goal of a $1,000 scholarship was more than reached and all said it was "the most" as a variety attraction. Hollywood scouts were reported in the audience.

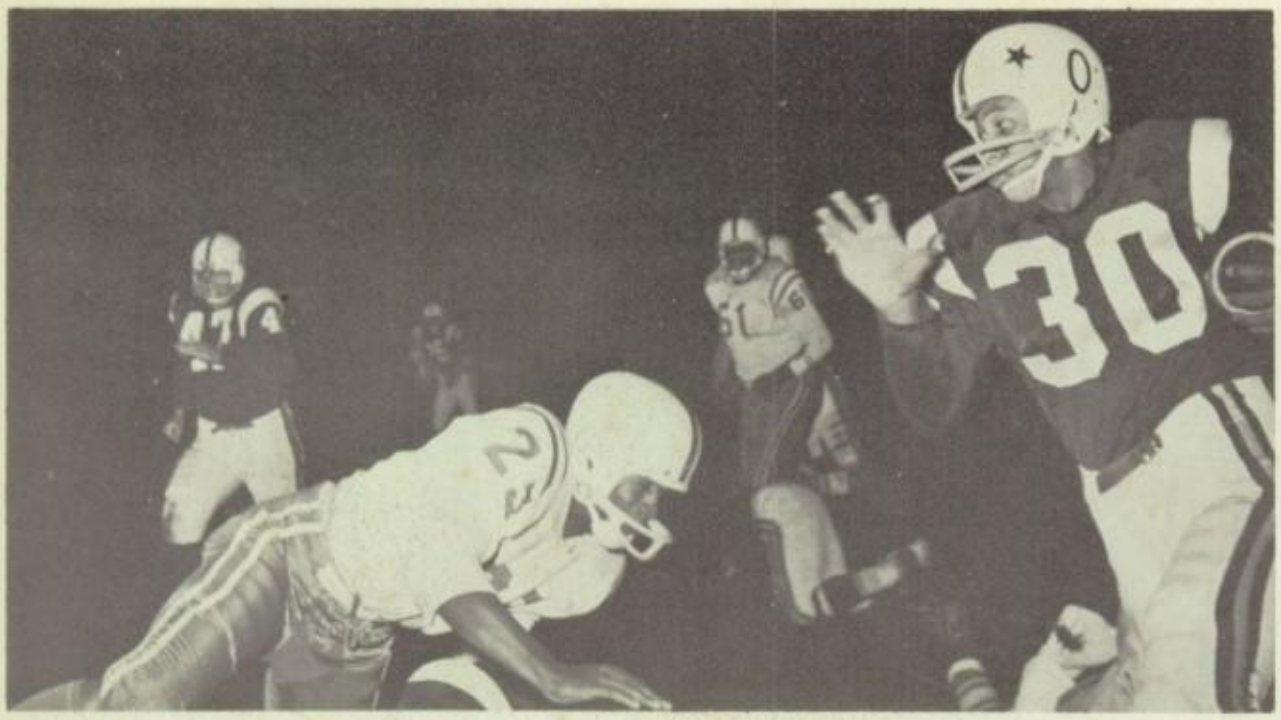
Football

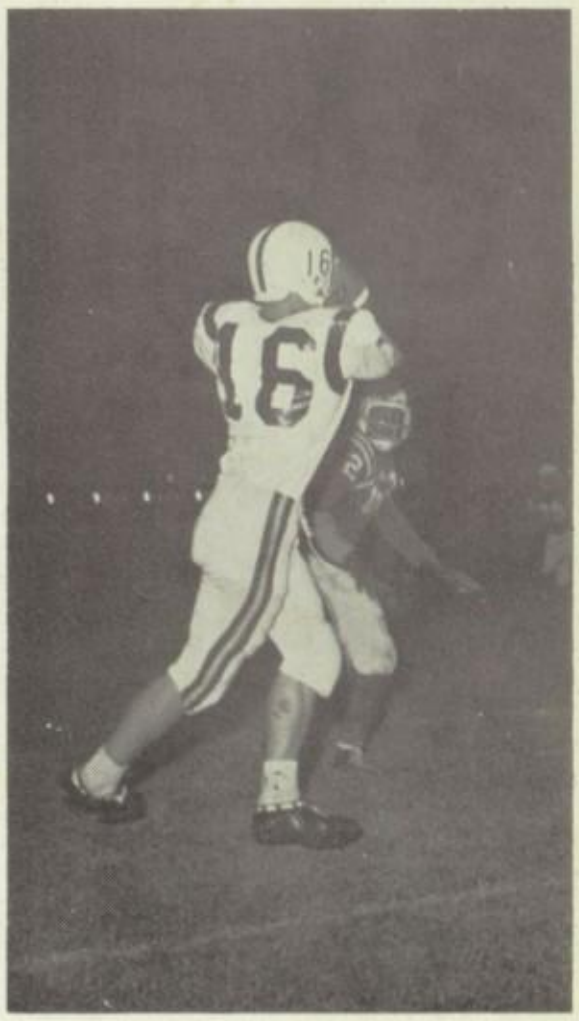
Wildcats of 1964, defending Western Division champions continue to apply their tough defense and a tricky offense to determined opponents. During the course of the season the purple gridders met with some untimely, as well as hard felt, injuries which weakened the team effort. Despite this hardship the Wildcats still showed an impressive season record of 7-2.

At the Whiting Football O-Rama the Wildcats first faced East Chicago Washington which ended in a tie. The next quarter they came alive to beat Whiting 7-0. The Gavit Gladiators then prepared to invade the Wildcat lare but the Big Purple was ready and won by twenty-two points 28-6. The Hammond Wildcats then did the only journeying needed all year to Whiting where they proved too slipperly to hold the Wildcats. Hammond won 32-7. Senior end Jim Michaw was injured in this game and played limitedly the rest of the season. A dampened Homecoming proved fatal for the Wildcats as they lost 7-12. Coming back to lead the Roosevelt Rough Riders 7-6, the Wildcats were forced to put from their own end zone. The punt was blocked and Roosevelt recovered and ended the scoring with a seven yard plunge. The final score was Hammond High 7 and East Chicago Roosevelt 12. Hammond Tech then played host to the Wildcats and could not retain them. HHS 28 - Tech 14. It was a cold and wet night when the Wildcats again took to the turf. Senior quarterback Larry Roames took the helm and shut out Gary Tolleston 31-0. Hammond Clark attempted to beat the Wildcats but ended up on the short end 32-6. East Chicago Washington proved too powerful for the Wildcats by winning 14-7. The Big Purple soon bounced back with a win over the Morton Governors 19-6. This year the Wildcats were ready for the Bishop Noll Warriors. Strong backfield contributed to the win.

End Jim Michaw finds it rough going as he receives a tackle issued by a Washington Senator. This heated contest ended in a 14-7 loss for the Wildcats.



Halfback Nate Stegall picks up a key block from fellow teammate against Tolleston. Hammond won 31-0.



Jim Noojin displays quick moves as he out-maneuvers a Washington defender in the Whiting Football O-Rama. This contest ended in a scoreless tie.

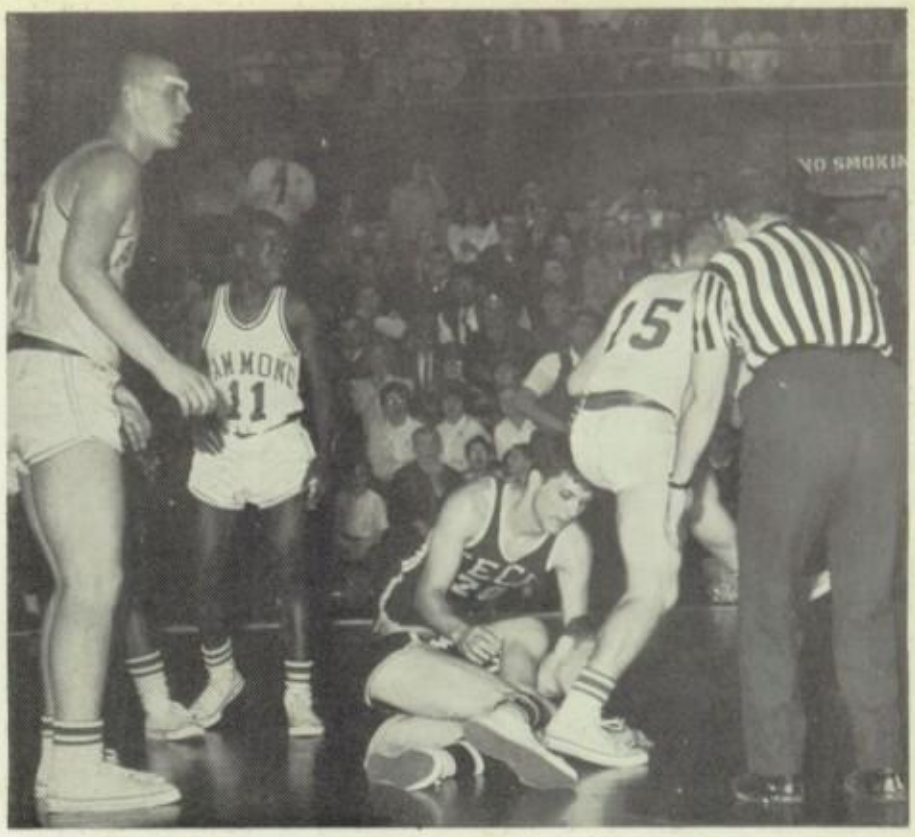
Basketball

It seems that the Wildcats always start slow losing three of their first four games. They lost to Bishop Noll but then managed to beat Hammond Clark. The young Wildcats comprised of many sophomores saw the experience of defending state champs and lost a tough one to Lafayette Jeff (65-67) and then dropped another to Gary Tolleston (47-61).

Head Coach Gunner Wyman shaped the boys into a team that wanted to win and in the next outing crushed Hobart (106-48). Whiting also fell (67-36). The holiday tourney saw the Cats lose to highly ranked Tipton (63-67) but once again come back and beat Clark in the consolation game. Two Gary teams then met defeat at the hands of the Wildcats, Gary Horace Mann lost (67-36) and also Gary Emerson (85-48). Fans saw the roundballers and Coach Wyman pull a close one out of the fire in the closing moments of a overtime period by a score of (68-66) against East Chicago Roosevelt. The Terre Haute Gerstmeyer game was postponed until Feb. 19 because of a snow storm but the Wildcats ran away with the game by a score of (98-66). Gary Emerson then became the third Gary team to fall to Hammond High by a score of (73-43). Valparaiso then ended the six game winning streak of the Wildcats (62-66). Three more losses followed, first to E.C. Washington, second to Hammond Tech (66-70) and third to Gary Froebel (62-65). Coach Wyman and Co. then journeyed to LaPorte to topple the Slicers (51-48). Ending the regular season on a happy note the Wildcats beat Morton.

February 23rd started a new season for the Wildcat Ten, where one loss can end the season. Coach Wyman impressed this fact to the boys who were ready to accept the responsibility of representing their school in I.H.S.A.A. Basketball Tournament. In the first game Hammond High beat Lowell. The next night the Wildcats took on the Griffith Panthers, the earned the privilege of meeting and beating Hammond Clark for the third time this year. Arch-rivals Hammond High and Hammond Tech met in the championship game. After scoring 19 points officials threw Hayward Findley out of the game minutes before the half ended. Guard George Green was knocked out by Larry Jackson and did not return. Tim Michaw and Rodney Ford fouled out and senior Jim Michaw received a cut on the head but later returned. Reserves then were called upon by Coach Wyman and did an excellent job. Ed Robinson scored seven points in the final period. Hilliary Hudson and Dave Hendrix also did a great job. Terry Fischer did a great job in piloting the team after the other four regulars were withdrawn. The season ended on a dismal note when the Wildcats were defeated by Gary Roosevelt in the regional opener.



Sophomore Hiliary Hudson (11) and Terry Fischer (15) watches along with senior Jim Michaw as Dennis Dills is helped by teammate Oscar Ortegon in thrilling Sectional Championship Game which the Wildcat Cagers won.

Baseball

Graduation once again took it's toll in baseball. Three regulars were all that was left as the season rolled around. Larry Roames was the only returning pitcher and had carried much of the pitching responsibilities. Backing up Larry was Bill Sorrell and George Leus.

The season opened on a happy note by defeating Dyer 4-1. The Wildcats took on Highland 5-1, then moving right on they beat Griffith by a score of 4-0. Bishop Noll then fell to the purple hardballers 4-0. TF South proved too much for HHS baseball team as they won this hard fought contest 3-4. This was the second loss for Larry Roames during his career at HHS both at the hands of TF South. A pitching duel developed in the Clark game which went eight innings resulting in a Wildcat victory 3-2. E.C.R. next fell to the Wildcats 5-4.

As April came to a close the leading hitters were two seniors and a sophomore. Larry Biestek the leading batter at .390, followed by Larry Roames .364 and Rodney Ford at .308. With balanced hitting and good fielding Coach Bill Strater and the Wildcats attempt to extend the conference championships to three.

Jim Petro rounds third as Coach Bill Strater watches the ball with Jim. Jim later scored from third during this game as they beat E.C. Roosevelt 5-4.

Gordon Denny, senior catcher for this year's squad, lofts single with a powerful swing.

Coach John Wonsowitz's Frosh-Soph squad ended the season with a respective 13-2 mark. The club was composed of many bright and promising runners. Tim Carlson, Dick Loser, Alan Sarver, Sherman Hopson, and Rene Olivencia to name a few contributed their fine efforts to the Hammond High cause.

"A one-two combination of Rich Warner (right) and Sammy Cross led the H.H.S. harriers to a number two ranking in the state."

Swimming

Hard hit by graduation, coach Jules Papais combined spirit and drive to form a respectable 1964-65 Hammond High swimming team. The Catfish terminated the season with a 4-5 record, and a second place finish in the Northwest Conference meet.

After defeating Whiting High School for almost a quarter of a century without a loss, the Wildcat swimmers fell at the hands of the Oilers, 54-41. The Cats rebounded from their loss and overtook one of the stronger teams in Northern Indiana, Gary Lew Wallace.

Senior Reed Mapes, the outstanding swimmer, broke two records during the swimming term. One in Northwest Conference competition and one in the State Sectional at Valpariso. Mapes' time of 1:03.3 in the 100 yd. butterfly tops all previous records in Conference and State Sectionals.

Four boys qualified for the State Meet at Bloomington. Reed Mapes 100 yd. butterfly and medley relay. Eric Ahlvin, Marty Reitz and Ken Behling rounded out the relay team.

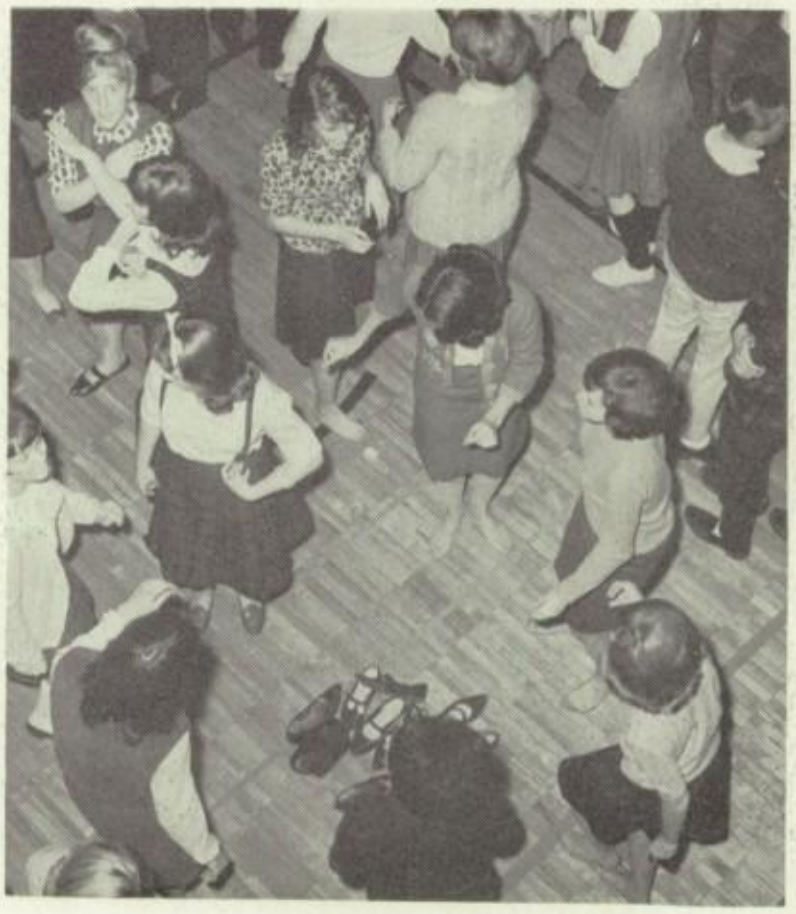
Clubs Are Active in 1964-1965

From the largest to the most compact ones, activities and membership showed that the club programs were popular at Hammond High. Some sponsored altruistic projects for the unfortunates, others made gifts for those of other countries while still other groups sang and carried on activities in a foreign tongue.

While most clubs met on school days alternating with auditorium, many found it more expedient to meet after school. Highlight of the programs were plays, art projects, cheering blocks and of course, soc hops.



Many school clubs sponsor soc-hops.

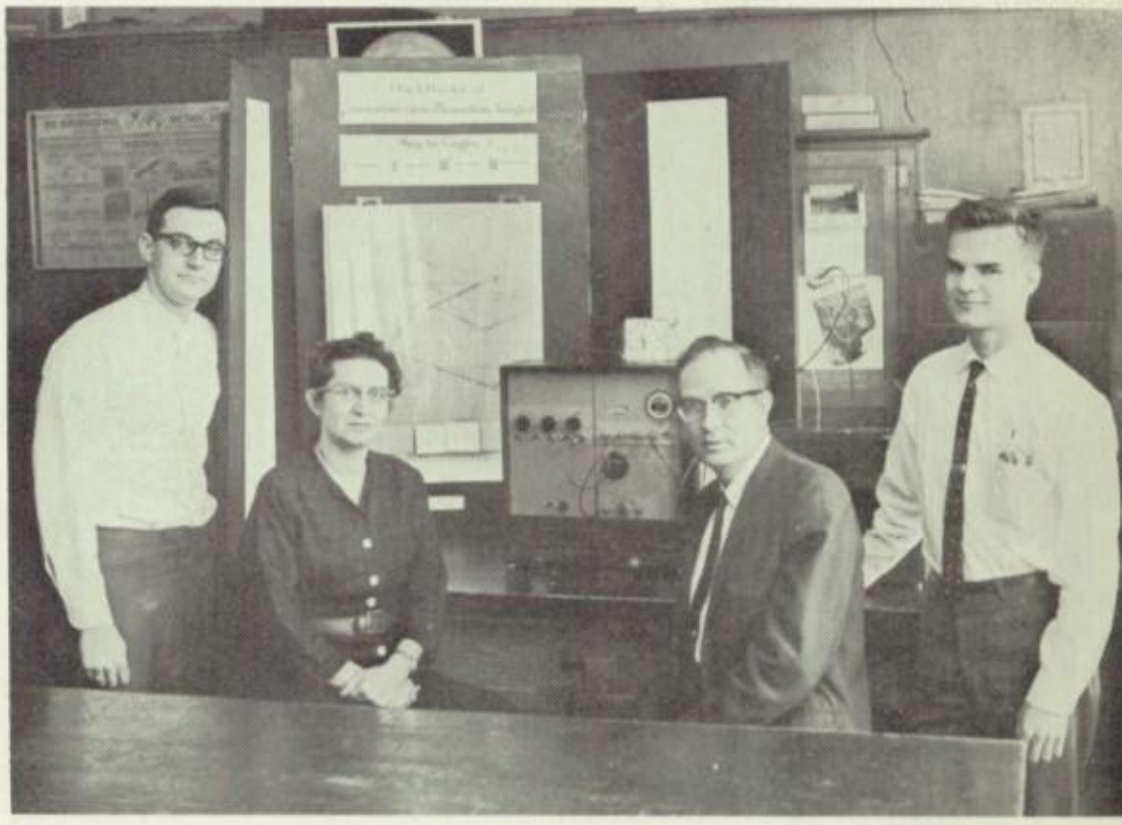
Seniors select the candidate for whom they will vote in the 1965 Association elections.

Both Steve Lynn and Daniel Fary proudly exhibit the Projects for which each received an Honors Award. There were 10 winners in the Indiana talent search.



Standing from left to right are junior class officers—Bruce Nierman, vice president; Ann Slattery, secretary; Nora Wolff, treasurer; and Bill Dorrigan, president. Class sponsors are Mrs. Andrews and Mr. Folta.

Hardworking students help put up signs encouraging the H.H.S. pupils to vote for their favorite candidate.

The Class of '66

The juniors have finally reached the status of upperclassmen. They wore their class rings, toured Washington and New York, wrote their first term papers, and campaigned for Association officers. They planned the Junior Prom, took the PSAT and Merit Scholarship tests, participated in many school activities, and made plans for the future while awaiting their marvelous senior year.

The Class of '67

Pictured left to right are sophomore class officers—Luanna Luconi, secretary; Dan Dobrowski, president; Bruce Lynn, vice president; and Linda Stafford, treasurer.

In their second year at Hammond High School, sophomores experience many new adventures. The ordering of their class rings, planning of the sophomore party, struggling through many new and difficult subjects, and thinking about being Juniors the next year, gives the sophomores something to look forward to.

Sophomores gather in the main corridor to check coming events posted on the main bulletin board.

One of the most frequently chosen electives of the sophomores is participating in Hammond High's Band.

The freshmen officers are, left to right—Liz Colby, vice president; Sue Hanas, treasurer; Sue Terry, secretary; Kirk Pinkerton, president, with sponsor Mrs. Vera Erickson. Other sponsor, Mr. E. Burkhardt is not pictured.

Freshmen get their first experience of high school lunch time by having split lunch hours.

The Class of '68

Freshmen faced a new type of "school life" and set high standards for their future days. They bought elevator passes and locker insurance yet bravely withstood upperclassmen's teasing. They cheered for our teams and participated in clubs.

Freshies enjoy unique and colorful pep sessions preceding the "big game."

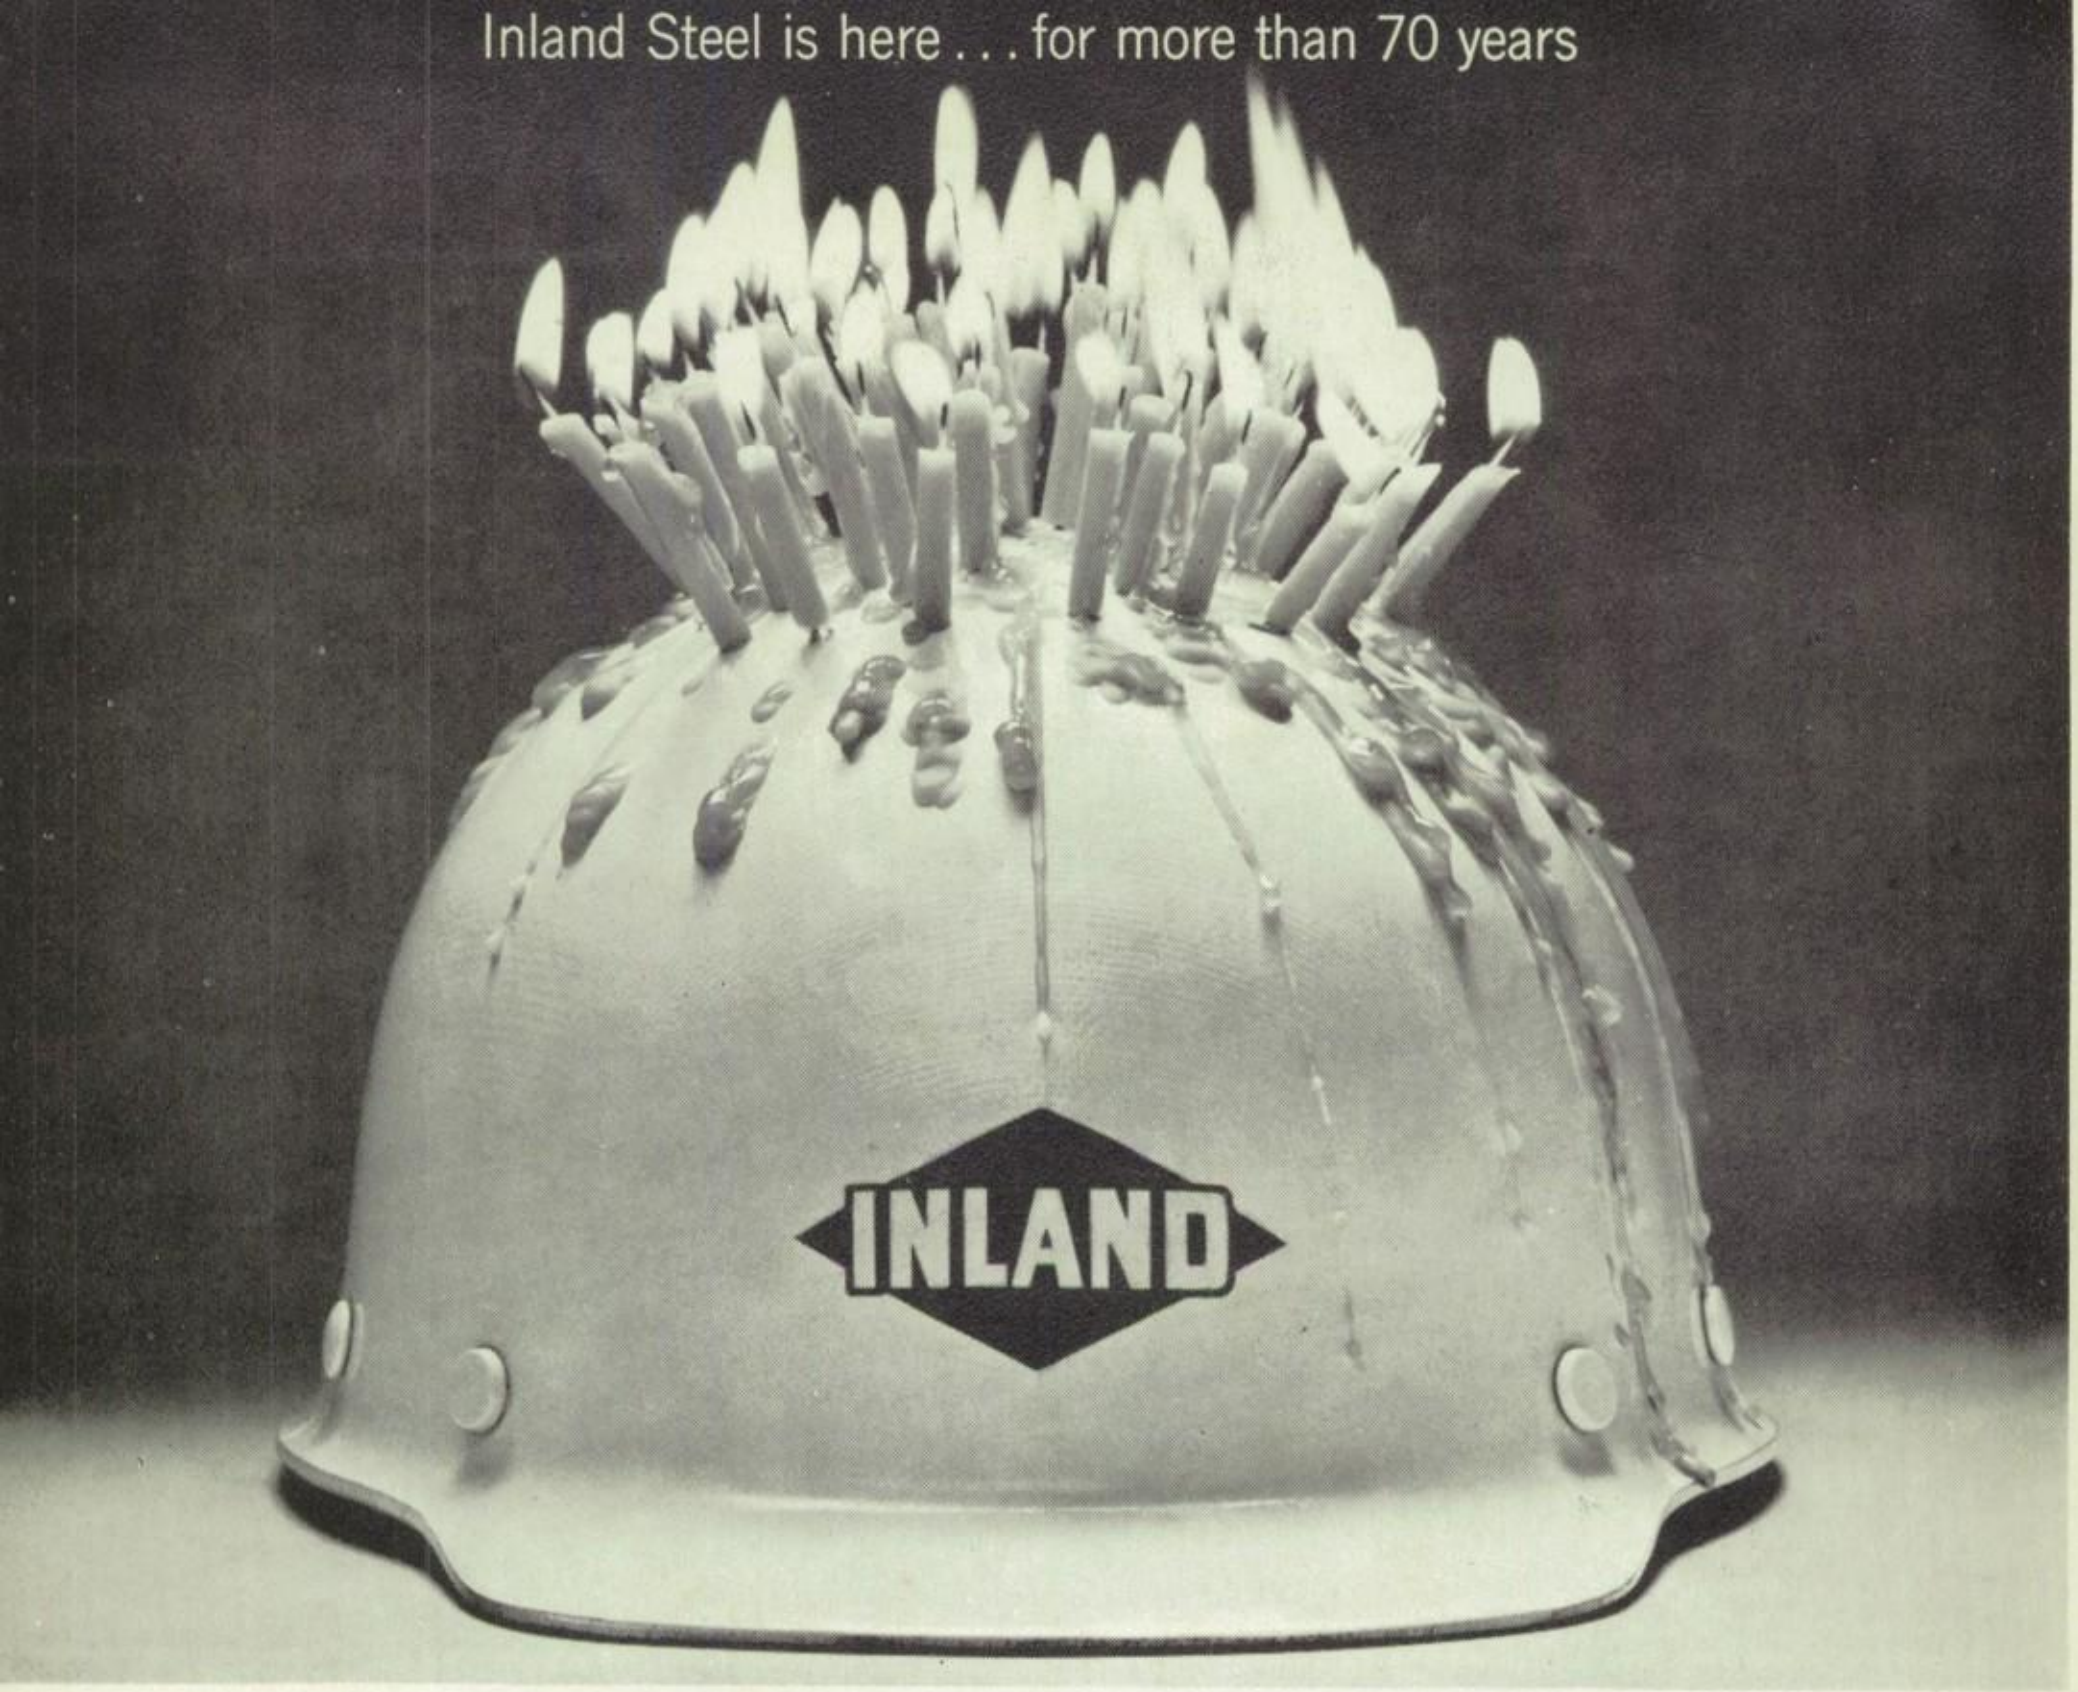
Inland Steel is here . . . for more than 70 years



For more than 70 years men and women have been building successful careers at Inland Steel. Today many of your relatives, friends and neighbors are working at the Indiana Harbor Works of Inland Steel in a wide variety of occupations providing steel that goes into bridges, buildings, refrigerators, ranges, farm machines, automobiles, tools, toys . . . into thousands of products that we use each day. Many are concentrating on certain phases of steelmaking by working in production departments.

Others are working in laboratories helping to assure quality or developing new and better products for our customers.

Some are gaining knowledge and experience in special trades through formal apprenticeship programs offered in the following trades —Machinist, Patternmaking, Boilermaking, Welding, Shop Electrician, Wireman, Mason. Inland offers the high school graduate an excellent opportunity to further his education. Employees may participate in a variety of on-the-job training programs or the Purdue-Inland Training Program in which an employee may take a steelmaking, electrical or mechanical curriculum. Still others are continuing their formal education at one of the local extension centers.

Plan now to investigate the unlimited opportunities for you at INLAND STEEL . . .
